

NUTRAFOL

Women's Balance

A multi-targeting nutraceutical containing standardized ingredients that address key triggers of poor hair health including stress, DHT, free radicals, micro-inflammation, compromised nutrition, and hormone changes associated with menopause.

Benefits

Hair Growth – Ingredients clinically shown to increase hair growth, provide fuller hair, and maintain existing hair growth.

Hair Quality – Designed with ingredients to improve strength, shine, texture, appearance, density, and nourish hair from within.

Overall Health – Formulated with ingredients known to reduce symptoms of menopause, reduce stress and fatigue, improve sleep, improve the appearance of skin and nails, and promote overall feelings of wellness.

Indications

For adults entering, during, and after menopause experiencing hair-related changes.

Special Features

- Toxins and hormones may play a significant role in hair health during and after menopause. Enhanced with Maca root and Astaxanthin.
- Synergen Complex Plus® is a proprietary blend of standardized botanicals that target multiple factors affecting hair growth.*
- Nutrafol Blend® is a proprietary blend of amino acids and botanicals designed to provide bioavailable nutrient support for healthy hair production.*
- Physician formulated with clinically tested, patented ingredients shown to be effective in humans.
- Careful extraction methods to preserve the most potent part of each plant without harm.
- Standardized to ensure each serving contains a clinically effective dosage.
- Sourced responsibly from all over the world, manufactured in the United States.
- Enhanced with bio-optimized technologies.

How It All Comes Together

Ashwagandha targets stress hormone, cortisol

Astaxanthin targets oxidative stress

Saw Palmetto targets DHT Hormones

Collagen targets hair nutrition

Tocotrienols targets ROS and lipid peroxidation

Bio-Curcumin targets micro-inflammation

Maca targets hormone imbalance

Ablon G, Kogan S. A Six-Month, Randomized, Double-Blind, Placebo-Controlled Study Evaluating the Safety and Efficacy of a Nutraceutical Supplement for Promoting Hair Growth in Women With Self-Perceived Thinning Hair. J Drugs Dermatol. 2018;17(5):558-565.

Recommendations

Nutrafol recommends 4 capsules daily with a meal containing healthy fat.

Precautions

If you have a medical condition or are taking medications (especially blood thinning drugs) consult with your doctor before using. Not intended for children under 18, pregnant or nursing mothers.

Highlighted New Ingredients

Organic Peruvian Maca Root
Maca is shown to naturally tonify and promote adaptation during hormonal changes attributed to menopause. Changes in hormones during menopause have been linked to poor hair health. Gelatinized for enhanced bio-absorption.

Astaxanthin
A potent antioxidant clinically shown to reduce oxidative stress markers and promote healthy aging.
